

11th Iberoamerican Congress on Pattern Recognition

CIARP'2006

November 14-17
Cancun, Mexico

The 11th Iberoamerican Congress on Pattern Recognition (CIARP'2006) is organized by the Computer Science Department of the National Institute of Astrophysics Optics and Electronics (INAOE), México and sponsored by the Cuban Association for Pattern Recognition, the Portuguese Association for Pattern Recognition, the Spanish Association for Pattern Recognition and Image Analysis, and the Mexican Association for Computer Vision, Neural Computing and Robotics.

CIARP'2006, as all the ten previous conferences, will be a forum for the exchange of scientific results and experiences, as well as the sharing of new knowledge, and the increasing of the co-operation between research groups in pattern recognition and related areas.

Authors are invited to submit contributions including, but not limited to the following areas:

- Computer Vision
- Data Mining
- Natural Language Processing and Recognition
- Discrete Geometry
- Document Processing and Recognition
- Fuzzy and Hybrid Techniques in Pattern Recognition
- Image Coding, Processing and Analysis
- Industrial and Medical Applications of Pattern Recognition
- Logical Combinatorial Pattern Recognition
- Mathematical Morphology
- Neural Networks
- Artificial Intelligent Techniques and Recognition
- Pattern Recognition Principles
- Robotics & Remote Sensing Applications of Pattern Recognition
- Shape and Texture Analysis
- Signal Processing and Analysis
- Special Hardware Architectures
- Statistical & Structural Pattern Recognition
- Voice and Speech Recognition
- Parallel and Distributed Pattern Recognition

INVITED SPEAKERS

Dr. Gabriella Sanniti di Baja
Istituto di Cibernetica "E. Caianiello"
Italy

Dr. Jim Bezdek
University of West Florida
USA

Dr. Petra Perner
Institute of Computer Vision and applied
Computer Sciences
Germany

IMPORTANT DATES

Paper Submission	May 19, 2006
Acceptance Notification	June 30, 2006
Camera-ready	July 21, 2006

WEBSITE

<http://www.ciarp.org/>

The proceedings of the CIARP'2006 will be published in Lecture Notes in Computer Science, by Springer Verlag
